- Playing Cricket

Dhananjay Omprakash Choudhary

Full Stack Web Developer

PROFESSIONAL SUMMARY

I'm a Full Stack Web Developer who's super motivated and attention to details. I know my way around HTML, CSS, JavaScript, and cool stuff like React and Node.js. I love creating websites that move and adjust to different screens. Always learning new techie things to get better at what I do. Good at solving problems and noticing the little details.

PROJECTS

1. Timely | ⊕ | ⦿
HTML5 | CSS3 | Responsive Web Design | Git | Bootstrap
- Developed a comprehensive time tracking and productivity management tool for businesses and freelancers.
- Implemented features such as time tracking, project management, billing, invoicing, and team management.
